EDUCATION

University of Washington | *Seattle, WA*

Jun. 2028

B.S. in Computer Engineering

Relevant Courses: Object-Oriented Programming, Data Structures & Algorithms, Intro CSE, Software/Hardware Interfaces, Calculus

PROJECTS

Melt The Ice | Front-End & PM

Jan. 2026

- Assisted with the development of a **real-time mapping** platform for community-verified **ICE sighting reports**, with **200+ registered** users being part of end-to-end lifecycle from high-fidelity **Figma iOS** prototype to a live **React web application**
- Directed the product roadmap and technical architecture, delivering an **accessibility-first UX with React**, including one-click translation and colorblind-friendly UI, with real-time "fly-to" map functionality **delivering a functional MVP** within 9 hour development window of **WINFO Hackathon**

Bus Tracker | Full-Stack Development

Dec. 2025

- Built a full-stack web application using **Spring Boot**, **JavaScript** frontend and **Java** backend to display real-time public transit data improving commute efficiency by **25%** via **OneBusAway REST API** and weather data via **OpenMeteo API** hosted on **Render**

EXPERIENCE

Atlas Arena | Game Tester | *Remote*

Oct. 2025 - Present

- Executed **functional and usability testing** for a logic/strategy game, **identifying reproducible bugs and edge cases** to translate user feedback into actionable technical requirements for development
- Collaborated with game designers to **balance difficulty curves for technical audiences**, utilizing structured feedback and Steam-environment testing to **resolve gameplay and UX friction** to improve player onboarding and gameplay

Jaemzware LLC | Intern | *Seattle, WA*

Aug. 2025 - Dec. 2025

- Collected and validated skatepark data using **Selenium** to systematically data mine **HTML** park data, creating clean **.csv** dataset foundation for the Skatepark Map application, and **shipping 100+ skateparks** to application
- Pitched **UI/UX features** for Skatepark Map app in **Swift**, including **image gallery and zoom feature**, collaborating with supervisor weekly to brainstorm and implement app features

LEADERSHIP & ACTIVITIES

University of Washington Skate Club | President

Sep. 2025 - Present

- Lead operations for weekly University skate club [**100+ members**] by coordinating with admin team to plan skate meets, quarterly thrift sales, secure brand partnerships (Monster Energy), and create/manage social media, developing strong communication, delegation, and logistical planning skills

AWARDS & HONORS

Costco Diversity Scholarship Recipient | *Seattle, WA*

2024-2028

- Scholarship for **high-achieving, high-need students** from communities **under-served in education**. Awards **\$10,000** each year over **4 years** of university for UW Seattle and Seattle University students

Allen School Scholars Program | *Seattle, WA*

2024-2025

- One-year cohort-based program focusing on supporting **emerging leaders** from **first generation, low-income**, and **underserved** students in Washington State pursuing a degree in CS or CE
